

Birthday Celebration Policy

- At Bushey Gan we feel that it is important to help children to develop a sense of pride, confidence and a positive image about themselves, therefore we believe that celebrating birthdays are important.
- Children's birthdays are recognised and celebrated in all of our classes at Bushey Gan. Each class will find their unique way to make the birthday celebrant feel special.
- We will not give out any birthday party invitations at Gan.
- As a United Synagogue nursery, we respectfully request that you take into consideration, when organising parties, that there will be children who may be upset if they are unable to attend your child's party for religious reasons.
- In keeping with our **allergy policy** and our **healthy eating policy** only allergy free popcorn maybe brought into Gan for a birthday celebration. This is currently Ziggy's popcorn, as pictured below.
- Please respect this policy in order to avoid causing offence.
