Bushey Ganim

Since the beginning of this academic year, we have been enjoying our varied activities as well as watching our children develop and gain new skills.

We aim to continue to provide a warm, safe and caring Ganim for our children and their families, full of fun and learning opportunities. As we continue to monitor the children and the way we implement the Early Years Foundation Stage, we ensure that as the children move on to the next stage of their schooling, they do so as confident and caring individuals with a strong Jewish identity.

Our photos below speak for themselves, and show the children in the Ganim enjoying various activities throughout the year as we look forward to the next intake for the autumn term.

We would like to take this opportunity to thank the Parents Association Chair and Committee as well as all the parents for their unwavering support this year, and for the lovely new resources we were able to buy through their fund raising efforts. Thanks also go to Howard Schaverien, Chair of the Management Committee, for his continued support, as well as the rest of the committee not forgetting our hard working staff.

We look forward to welcoming new children to the Ganim in September along with a slight change of timing (9.30am to 12.30pm). Further information can be found on our website www.busheyganim.org.uk

Wishing you all a happy and kosher Pesach!
