

Parental /Carer Involvement Policy

Statement of intent

Parents/Carers are the first educators of their young children and we aim to support their work. We greatly value the importance of a partnership with parents.

Method

- We will make all new parents aware of the Gamin's systems and policies.
- We will encourage parents/carers on an individual basis to play an active part in helping in the Ganim.
- We will ensure that all parents/carers have opportunities to contribute from their own skills, knowledge and interests, to the activities of the Ganim.
- We will ensure that parents/carers are informed on a regular basis about their child's progress.
- We will ensure that all parents/carers are fully informed about meetings, conferences, workshops and training.
- We will hold meetings in venues which are accessible and appropriate for everyone.
- We welcome the contributions of parents/carers, whatever form these may take.
- We will make known to parents/carers the systems for registering queries, complaints or suggestions.
- We will provide opportunities for parents/carers to learn about the Gamin's curriculum and about young children's development and learning at the Ganim and at home.
- We will advise and support parents/carers by working in partnership with them to provide the best care for their child.
