

Songs for Shavuot

Moses climbed up the mountain x3
To see what he can see
And all that he could see x2
He found the 10 commandments x3
That's what he could see

G-D gave us the 10 commandmentsX3
And this is what they say
Listen to your parents and do what they say
Have a nice rest on the Shabbat day
Never take anyone's things away
It's all in the 10 commandments

Shavuot fruits and flowers we have brought
Baskets on our shoulders
Flowers around our heads
We come from every place
To give you our thanks

La la la.....
