Bushey Gan – Policy on our Facebook Page

AIMS

The aim of the Bushey Gan Facebook page is to extend our parent partnership by sharing information, such as children's activities, special events, reminders and emergency closures on a closed Facebook page. We invite parents to join our Facebook page when their child joins our nursery. The page is called '**Bushey Gan News**' and you will need to request to join the page.

The posts to this page may be in the form of photos, videos or written posts, valuing the welfare of our children, which is of paramount importance.

The page is there to celebrate and share the fun we have at Gan, enhancing the children's learning and development through the EYFS curriculum.

We invite all parents to use our page as a platform to share Gan related information. Only the page administrator can accept or add members. The Bushey Gan Facebook page is closed and secure, with the highest security settings.
